## THE FLEXIBLE FUNDING SOURCE IS BACK!

(With Leases we have completed recently that other Sources TURNUED DOWN!!)

Here is just a sampling of our new  
"Wild & Crazy List of Leases":

- 1) Construction company in RI wanted \$90K for a Drilling Machine, credit showed a tax lien, we got APPROVAL for 48 months, low rate, little advance.
- 2) Sole Proprietor in MA wanted \$65K for an Excavator, did not have any credit, always paid cash. We were able to get APPROVAL for 24 months, low rate, little advance.
- 3) START UP restaurant in MA, needed \$90K, lots of experience, APPROVAL for 60 months, acceptable rate, able to open in September, which was target date.
- 4) START UP manufacturing plant in Ohio, needed \$30K for Grinding Machine, average credit, lease APPROVAL for 36 months, competitive rate.
- 5) Corporation in business for 25 years in Chicago, \$235K for Excavator, very poor credit, with additional collateral we got APPROVAL. 48 month lease. Client can make more profit, and rebuilds credit.
